This act went into effect September 1, 2006. We are pleased to present this report which covers 2008 in its entirety. As prescribed in statute, this report includes the following information for both the Low-Income Energy Assistance Act and for the Severance Tax Trust Fund:

1. An itemized report of moneys received by Energy Outreach Colorado from each utility as a result of the opt-in program created in Senate Bill 2005-001;
2. The amount of moneys distributed, the type of assistance provided, the geographic area of the state served, and an itemization of the programs through which the moneys were expended as a result of the opt-in program created in Senate Bill 2005-001 as well as the monies received from the office of the governor from severance tax from HB 06-1200;
3. The number of low-income households served, by utility and by the type of assistance provided as a result of the opt-in program created in Senate Bill 2005-001 as well as the monies received from the office of the Governor from severance tax from HB 06-1200;
4. An audited financial statement from Energy Outreach Colorado, for the period October 1, 2007 – September 30, 2008; and
5. A summary of how the moneys collected (as a result of the opt-in program created in Senate Bill 2005-001 (C.R.S. 40-8.7-101-111)) were generated and the number of customers participating in the program.

This report will be available on Tuesday, April 1, 2009 for the public to view on Energy Outreach Colorado's website, www.EnergyOutreach.org, and a written copy will be provided to any member of the public upon request.
