National Fuel Marketing invites you to its Sixth Annual Golf Tournament to benefit Energy Outreach Colorado. This year's tournament will again be held at the Sanctuary Golf Course in Sedalia, Colorado. Designed by renowned architect Jim Engh in 1996, this dramatic 220 acre site provides golfers with more than great scenery – the challenging layout also has a reputation for forcing strategic choices throughout a round. For example, the first tee looks out to the Rocky Mountains, with a 185-foot drop to the fairway on the 604-yard, par-5 first hole.

See reverse for sponsorship package details.
