Part I, Line 2:

Energy Outreach Colorado (EOC) distributes funds to a network of agencies around the state for utility bill payment assistance. Each agency is charged with using the funds specifically for heating or heating related utilities. The funds are not given to individual clients but directly to the utility vendor in question; in addition, EOC maintains an on-line database where agencies must enter client data immediately when the client receives assistance. This database collects details of clients' name, address, demographic information, income data, housing data, and utility

**Part IV Supplemental Information**

vendor information. The program manager checks on a regular basis to see  
that funding is being distributed to the relevant vendors. Each client may  
only receive assistance once during a grant year (November 1 through  
October 31); should two agencies pay for the same client in a grant year  
then one of the payments is disallowed and the agency must pay for the bill  
with other than EOC's grant funds.

*Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.*

**Part I Short-Term.** Transactions involving capital assets you held 1 year or less are short-term. For long-term transactions, see page 2.

**Note:** You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 1a; you aren't required to report these transactions on Form 8949 (see instructions).
