Energy Outreach Colorado (EOC) distributes funds to a network of agencies

around the state for utility bill payment assistance. Each agency is

charged with using the funds specifically for heating or heating related

utilities. The funds are not given to individual clients but directly to

the utility vendor in question; in addition, EOC maintains an on-line

database where agencies must enter client data immediately when the client

receives assistance. This database collects details of clients' name,

address, demographic information, income data, housing data, and utility

Part IV Supplemental Information

vendor information. The program manager checks on a regular basis to see
that funding is being distributed to the relevant vendors. Each client may
only receive assistance once during a grant year (November 1 through
October 31); should two agencies pay for the same client in a grant year
then one of the payments is disallowed and the agency must pay for the bill
with other than EOC's grant funds.
