Annual Golf Classic

Sponsorship Opportunities

Tuesday, August 30th, 2022 | Sanctuary Golf Course
Our Annual Golf Classic, The Heat Is On, is back for another year. It is the only fundraising event hosted by Energy Outreach Colorado, and we are proud to have so many prominent sponsors support us each year.

We are returning to the exclusive Sanctuary Golf Course, which is invitation-only and limited to those sponsoring a charity tournament. The Heat is On will provide you with the opportunity to share this unique experience with colleagues and friends.

This event is limited to 120 golfers, so be sure to secure your sponsorship today!

With Your Help

Our impact in 2021

Last year, Energy Outreach Colorado hosted its 18th Annual Golf Classic at the Sanctuary Golf Course.

The commitment of our generous sponsors and players resulted in EOC raising a total of $197,206 all of which goes directly to providing critical home energy programming to vulnerable households across Colorado.

The impact from our tournament last year includes:
• 39 Households stabilized through energy efficiency upgrades
• 17 Households stabilized through community solar garden energy credits
• 5 Households stabilized through the Homeless to Home Program
• Just over 119 Households stabilized through the Bill Payment Assistance Program

Thank you to all of our 2021 Sponsors for their dedication to our work.
Your Support Matters

Every sponsor for our tournament will get the Basic Sponsorship Package, which includes recognition in speaking remarks, social media, and our newsletter. <td>Everyone deserves a chance to get back on their feet. Be a hero by supporting the Bill Payment Assistance Program to help us stabilize more households.</td>
<td>You can make the difference for many people who can’t afford to improve the energy efficiency of their homes. By advocating for EOC’s CARE Program, you will help more households lower their utility bills and consume less energy.</td>
<td>You can provide long-term stability for a household struggling to afford their monthly bill with a subscription to a community solar garden. This gift will make home energy costs more affordable for one household over 20 years.</td>
