

Application for COMMUNITY SOLAR

PROGRAM APPLICATION

Enrolling in a community solar garden is a simple way to lower your electricity bill while also supporting clean, renewable energy in Colorado. Energy Outreach Colorado partners with several solar developers to bring this opportunity to Xcel electric customers that are at or below 80% of the Area Median Income, or enrolled in another EOC program.

Households subscribed to the community solar garden will pay less for the energy they use each month. There is no cost to enroll, and no equipment needed on your home.

If you are interested in the Solar*Rewards Community Solar Program, please return a completed application, including the required income verification documentation, to Energy Outreach Colorado via the email, fax, or mailing address on the following page.

Alternatively, if you are in need of utility bill payment assistance or are interested in LEAP, please call 1-866-HEAT-HELP for more information.
